

FIRST AUTO DRIVE-IN

Railroad Ticket Window

Now the ease and convenience of neighborhood shopping can include the pick-up of your C & O Railway tickets.

After ordering your tickets by telephone from the C&O City Ticket Office, 3-0291, or Main Street Station, 3-1081, you can arrange to pick up your ticket at either the Broad Street or the Highland Park branches, or the main office of the First and Merchant's National Bank.

The pick-up service is available during regular banking hours, 9 a.m. to 2 p.m., Mondays through Fridays and also between 4 p.m. and 6 p.m. on Fridays.

As an additional customer service, the Downtown Bank, 9th and Main Streets and the Broad Street branch, Robinson and Broad Streets now offer Richmond's first railroad ticket DRIVE-IN windows. While seated in your car, you can pay for and receive your railroad reservations. Entrance to the Downtown Bank DRIVE-IN window is from the 8th Street side.

There are ample free parking facilities at all bank offices for the convenience of patrons who may choose to park and then pick up their rail tickets in the Bank.

Coming — More DRIVE-IN Stations for C & O Tickets

As each of the five new suburban branches remaining on First and Merchant's expansion program is opened, Chesapeake and Ohio's ticket pick-up plan will be extended to additional neighborhoods. All of the new branches will feature auto DRIVE-IN facilities.

Again, Chesapeake and Ohio Leads the Way in Railway Progress

For information and tickets, phone the C&O City Ticket Office, 3-0291, or Main Street Station, 3-1081.
